The main navigation menu includes 'cla', 'verifiche linguistiche', 'lingue straniere', 'italiano I2', and 'agenda'. The 'avvisi' section contains several announcements, with the one titled 'Prove di conoscenza bando Erasmus' highlighted by a red box. A red arrow points from the left towards this announcement. Other announcements include 'Incontri in Tandem - Gennaio', 'Corsi di lingua straniera 2019/20', and 'Aperte le iscrizioni ai corsi di italiano per gli studenti Erasmus+ e Accordi Culturali'. A sidebar on the right lists various services like 'erasmus+ / accordi culturali', 'iscrizioni online studenti', and 'prenotazioni online test odi'.

# HOW TO CHOOSE THE DESTINATION

The student is strongly advised to contact the coordinator of the Agreement (DCA) before applying, who is responsible for clarifying whether the subject matter of the agreement and the corresponding training offer provided by the Host University are of interest for the student's career. The student must define the **Learning Agreement**, together with the DCA and with the support of the **Erasmus contact person** of his/her Degree Course.

## 2. COMPATIBILITY CRITERIA:

**ISCED code on TURUL:** code of the **disciplinary area**, indicative of the correspondence between the Degree Course and the educational offer of the foreign University you will attend.

**Degree course level on TURUL:** I Bachelor's Degree, II Master's Degree, III Doctorate, Single-Cycle Master's Degree (*I Triennale, II Magistrale, III Dottorato, Magistrale a Ciclo Unico*).

**SPECIFIC ACADEMIC/TRAINING OFFER:** After the comparison with the DCA, it is necessary to check the courses offered by foreign Universities by **visiting their WEBSITES** and identify the courses that can be potentially compatible with your study plan.
